|---------------------------------|---|
| 1984 | BCEE, Board Certified Environmental Engineer, American Academy of Environmental Engineers |
| 1982 | California-Nevada Section AWWA, Water Quality Analyst, Grade IV |
| 1973, 1974, 1978, 1997, 2003 | Registered Professional Engineer in Pennsylvania, New Jersey, California, Arizona, Texas |

A-1

McGuire020265

Michael J. McGuire

EDUCATION

- 1991 University of Southern California, Los Angeles, California,
Executive Management Program
- 1973-1977 Drexel University, Philadelphia, PA
Degree: Doctor of Philosophy, Environmental Engineering
Dissertation Title: The Optimization of Water Treatment Unit
Processes for the Removal of Trace Organic Compounds with an
Emphasis on the Adsorption Mechanism
- 1970-1972 Drexel University, Philadelphia, PA
Degree: Master of Science, Environmental Engineering
- 1965-1969 University of Pennsylvania, Philadelphia, PA
Degree: Bachelor of Science, Civil Engineering
Honors: Sigma Tau Engineering Honor Fraternity
and Hexagon Senior Honor Society

PROFESSIONAL SOCIETIES

American Water Works Association, American Chemical Society, American Society of Civil Engineers, International Water Association, International Ozone Association, Water Environment Federation, National Society of Professional Engineers, Sigma Xi

AREAS OF EXPERTISE AND RESEARCH INTERESTS

Control of trace contaminants in drinking water; compliance with the Safe Drinking Water Act and all related regulations; occurrence, chemistry, and control of disinfection by-products; management of trace organic analysis method development; identification and control of tastes and odors in water supplies; removal of trace organic compounds using granular activated carbon; control of asbestos fibers in water; optimization of water treatment processes; control of water quality in distributions systems. Administration, supervision and budgetary control of professional, technical, and administrative personnel. Experienced public speaker.

Michael J. McGuire

EMPLOYMENT HIGHLIGHTS

2008-Present

Michael J. McGuire, Inc., Los Angeles, California

President—providing consulting services to water utilities and related clients.

2005-2008

Malcolm Pirnie, Inc., Santa Monica, California

Vice President in charge of the Santa Monica office.

1992-2005

McGuire Environmental Consultants, Inc., Santa Monica, California

As founder and President of the firm, I provided a variety of services to the municipal and private water utility market, including:

- Safe Drinking Water Act Compliance audits
- General regulatory review
- Taste and odor problem solving
- Treatment of trace organic contaminants and pathogens
- Watershed sanitary surveys and source water quality studies
- Disinfection by-products
 - ◆ compliance planning
 - ◆ treatment evaluation
 - ◆ analytical method development
 - ◆ research project manager
- Water Quality Program and laboratory external reviews

Drinking Water Section Leader, Earth Forum, CompuServe, 1994-1998

Publisher, Safedrinkingwater.com NEWS, 2000-2008

1979 to 1992

The Metropolitan Water District of Southern California, Los Angeles, California

As Assistant General Manager, I was responsible for administration and environmental compliance. Five divisions reported to me: Personnel, Finance, Administrative Services, Information Systems, and Environmental Compliance. The Affirmative Action Officer reported to me and I was responsible for the implementation of the Affirmative Action Program. I was also involved in the following programs:

Michael J. McGuire

EMPLOYMENT HIGHLIGHTS (Cont.)

- Chair of the Computer Resources Steering Committee, 1991; Chair of Phase Zero Steering Committee, 1992.
- Initiated Information Systems Strategic Plan
- Managed creation of the Environmental Compliance Division
- Managed creation of the Environmental and Resource Specialist classifications
- Developed and managed implementation of board letter planning and tracking system
- Participated as a member of the Top Staff management team
- Sponsor of Adopt-A-School Program with Thomas Jefferson High School
- Revised, improved, and expedited the development of the General Manager's monthly report
- Member of Metropolitan's Emergency Preparedness Management Committee, 1990-1992.
- Managed the negotiation of agreements with three bargaining units for a 3.57% cost of living increase during difficult economic conditions.
- Managed the development of staff input to setting of Metropolitan Goals and Objectives by the Board of Directors.
- Chair of Strategic Planning Task Force which began the process of developing Metropolitan's Strategic Plan.
- Chair of Contract Review Committee which developed a policy and a program with targets for achieving participation by minority and women business enterprises in District contracts.
- Champion of Metropolitan's Total Quality Management efforts, including promotion of personal effectiveness program entitled Seven Habits for Highly Effective People.
- Chair of Capital Improvement Program Task Force which established a comprehensive \$6 billion capital program.
- Managed the development of two annual budgets for presentation to the Board of Directors--\$780.5 million (91-92); \$822.5 million (92-93).
- Supervised the management of a \$550 million revenue bond sale, August 1992.
- Closely managed the development of an Accounts Payable Quality Circle and Process Change Team which resulted in the improvement of the average days to pay bills from 48 days to 25 days.

Michael J. McGuire

EMPLOYMENT HIGHLIGHTS (Cont.)

- Managed the successful adoption of a \$47 per acre-foot (23%) rate increase, fiscal year 1992-93.
- Managed the implementation of a \$5 per acre parcel charge, fiscal year 1992-93.
- Managed the development of testimony to the Federal Communications Commission to protect the District's use of the 2GHz microwave frequency.

As Director of Water Quality, I was responsible for the administration and supervision of the Water Quality Division which consisted of 82 technical, professional, and administrative personnel.

- Control of water quality at five water treatment plants with a design capacity of 1700 mgd and for a distribution system serving up to 16 million people in Southern California.
- Management of strategic planning for the Water Quality Division in the areas of personnel growth, space allocation, and computer resources.
- Negotiated agreement with California Department of Health Services for implementation of the California Filtration Rule, 1988-90.
- Management of the development of Metropolitan positions on proposed federal and state water quality legislation and regulation, 1986-90.
- Management of water quality input to State Water Contractor's testimony at the Bay/Delta hearings, 1988-1990.
- Member of Computer Resources Steering Committee which reviewed plans for computer applications at Metropolitan and recommended action, 1987-1990.
- Managed project partially funded by the AWWA Research Foundation "Optimization of the PEROXONE Process for Disinfection By-Product Formation, Taste and Odor Control, and Disinfection," 1988-90.
- Negotiated agreement with Task Force investigating the impacts of Lake Mead Fertilization, 1988-89.
- Project Manager for USEPA and California Department of Health Services funded project, "Disinfection By- Products in United States Drinking Waters, 1987-89.

Michael J. McGuire

EMPLOYMENT HIGHLIGHTS (Cont.)

- o Managed study partially funded by the AWWA Research Foundation to determine the efficacy of granular activated carbon for trihalomethane control, 1986-89.
- o Managed AWWA Research Foundation survey of trihalomethanes in United States water utilities, 1986-87.

As Water Quality Manager, I was responsible for the supervision of the Water Quality Branch in the Operations Division.

- o Participation as a member of the Interagency Delta Health Aspects Monitoring Program Advisory Group which gave direction to the California Department of Water Resources on a water quality survey of the Sacramento-San Joaquin Delta.
- o Management of the installation of an aqua ammonia feed system at five treatment plants (1700 mgd design capacity) and two finished water reservoirs.
- o Management of and implementation of project to explain to the public Metropolitan's change from chlorine to chloramines.
- o Management of a program to develop standards for the California Department of Health Services for the removal of chloramines from water used in hemodialysis.

As Water Quality Engineer, I directed a variety of physical- chemical treatment and environmental chemistry projects, including:

- o Conceptual design of an organics control and particulate removal pilot plant constructed of stainless steel, glass, and Teflon; hydraulic capacity of 6 gpm; conventional and advanced water treatment unit processes.
- o Formulation and implementation of organics analysis and treatment strategy for Metropolitan.
- o Participation as a member of the Technical Advisory Committee for the Orange and Los Angeles County Reuse Study.
- o Design and management of a project to assess the degree of contamination of State project water by asbestos fibers. Design of a full-scale (1700 mgd) treatment optimization study for asbestos fiber removal.

Michael J. McGuire

EMPLOYMENT HIGHLIGHTS (Cont.)

- o Design of a comprehensive research program to determine the cause of earthy-musty odor problems in six Southern California reservoirs.
- o Management of design of an innovative analytical methodology to analyze for earthy-musty odorants at part-per-trillion levels.
- o Management of a treatment research program for the control of trihalomethanes at Metropolitan.
- o Management of staff input for the conceptual, preliminary, and final design of a 27,500-square-foot water quality laboratory.
- o Management of an in-house investigation designed to study the impact of replacing free chlorine with chloramines.

1977 to 1979—Brown and Caldwell Consulting Engineers, Pasadena, California

I directed or participated in the following projects:

- o Provision of consulting services to the Metropolitan Water District of Southern California to assist them in estimating the cost of granular activated carbon treatment.
- o Consultant to Public Technology, Inc., for nationwide EPA-sponsored seminar series: Control of Organic Chemical Contaminants in Drinking Water.
- o Management of the NAS/PMTC Point Mugu Industrial Waste Study, which surveyed the existing industrial waste generation on a Navy facility and evaluated treatment alternatives.
- o Management of a physical-chemical treatment system optimization project for a major industry, which included removal of dissolved metals, particulates, and excess sulfite ions; bench- and pilot-scale testing of unit processes; and design of oxidation and sedimentation unit processes.

Michael J. McGuire

EMPLOYMENT HIGHLIGHTS (Cont.)

1973 to 1977—Drexel University, Philadelphia, Pennsylvania

Employed as a teaching assistant until 1975 and subsequently as a research associate to conduct a project supported by a cooperative agreement between the Philadelphia Water Department and the university. The research project evaluated various physical-chemical treatment technologies for the removal of trace organic compounds from drinking water using bench- and pilot-scale testing.

1969 to 1973—Philadelphia Water Department, Philadelphia, Pennsylvania

A major duty during the last two years of employment required the complete supervision of a research program that involved the surveillance of the water quality of the Delaware River Estuary. The program required operational supervision of a boat pilot, chemists, engineers, and technicians and the formulation of a data analysis program. Designed an unusual application of automated water-quality analytical equipment aboard a research vessel. Other duties included investigation of the availability of future water resources, preparation of testimony given before governmental bodies, and investigation of the effects of urbanization on water quality and quantity.

HONORS AND AWARDS

1978 Academic Achievement Award, American Water Works Association

1994 George Warren Fuller Award, American Water Works Association

Who's Who in the West, 1980-08; Who's Who in Engineering, 1982-98;
Who's Who in California, 1982-98; Who's Who in the World, 1995-08.

Who's Who in Science & Engineering, 2001-08

Who's Who in America, 1997-08

California-Nevada Section, American Water Works Association, Chair's Award, 1987, 1988 and 1995

2000 American Academy of Environmental Engineers, Excellence in Environmental Engineering, Grand Prize for Planning, with Tucson Water and Malcolm Pirnie, Inc.

2001 Publication Award, American Water Works Association

2001 Water Quality & Technology Division Best Paper Award, American Water Works Association

2005 George A. Elliot Award, California-Nevada Section, American Water Works Association

2006 Honorary Membership Award, American Water Works Association

2007 Water Quality & Technology Division Best Paper Award, American Water Works Association

Michael J. McGuire

HONORS AND AWARDS (cont.)

2008 Consulting Engineers and Land Surveyors of California, Engineering Excellence, Honor Award, with Glendale Water and Power

2008 American Academy of Environmental Engineers, Excellence in Environmental Engineering, Grand Prize for Research, with Glendale Water and Power

2008 Avid Advocate Award, Malcolm Pirnie, Inc., Award recognizes supervisors and managers who provide staff with learning opportunities and guidance through coaching, mentoring and professional development.

PROFESSIONAL TRAINING

Environmental Regulation Course, Executive Enterprises, June 3-5, 1991.

Hazardous Waste Operations and Emergency Response, Internt'l Tech. Corp., Nov. 29, 1990

PROFESSIONAL ASSIGNMENTS

American Water Works Association--National

- Vice-President, 1994-1996
- Executive Committee, Member 1994-1996
- Board of Directors, Member 1993-1996
- Water Quality and Technology Division, Trustee 2004-present
- Taste and Odor Committee, Member 1983-85, 2000-2004; Chair 1993-1998; Liaison as Trustee of the Water Quality and Technology Division 2004-present
- Ad Hoc Committee to develop training materials for the Information Collection Rule, 1996
- Converting to Chloramines Webcast, Participant, May 2004
- Disinfectants and Disinfection By-Products Satellite Teleconference, Participant, October 15, 1993
- Technical Advisory Workgroup--Disinfection and Disinfection By-Products, Member 1987-90 & 1992-1998, Manager 1988-1990
- Education Division, Trustee 1980-84, Chair 1982-83
- Joint Training Coordinating Committee, AWWA Representative, 1980-1983, Vice-Chair 1982-83
- Standard Methods Committee, Chair of Joint Task Group on Closed-Loop Stripping Analysis for Taste and Odor Organics in Water, 16th Edition, 1980-84
- Organic Contaminants Research T&P Committee, Member 1980-1982

Michael J. McGuire

PROFESSIONAL ASSIGNMENTS (Cont.)

American Water Works Association--California-Nevada Section

- National Director, 1993-1996
- Chair, 1991-1992
- Chair-Elect, 1990-91; Vice-Chair, 1989-90
- Executive Committee, 1989-1996
- Governing Board Member, 1984-1987, 1989-1996
- Ad Hoc Total Coliform Rule Committee, 1990
- Ad Hoc Surface Water Treatment Committee, 1988-90
- Safe Drinking Water Act Committee, Chair 1984-1987; Member 1984-1998
- Home Water Treatment Device Subcommittee, Chair 1986-1987
- Technical Program Committee, Chair 1990-91
- Task Committee with Department of Health Services to Develop Guidelines for Proposed Drinking Water Standards, Member 1986-88
- Water Quality and Resources Division, Trustee 1981-85, Chair 1983-1984
- Education Administrator, 1978-81
- Water Treatment, Fee Structure, Program, Desalination and Water for People Committees, Member

American Water Works Association Research Foundation

- Microbial and Disinfection By-Product Research Needs Expert Workshop, Co-Chair 1993
- Board of Trustees, Member 1983-86
- Ad Hoc Advisory Committee on AWWARF's Role in Health Effects Research, 1986
- Project Advisory Committees, Taste and Odor, Algae Control, Surrogates, and Chloroorganics Projects, 1983-86

Michael J. McGuire

PROFESSIONAL ASSIGNMENTS (Cont.)

Association of Metropolitan Water Agencies

- Board of Directors, 1990-1992
- Subcommittee on Disinfection and Disinfection By-Products, Chair, 1988-1990

International Water Association (formerly International Association on Water Quality)

- Keynote Speaker, Seventh International Symposium on Off-Flavors in the Aquatic Environment, October 3-7, 2005, Cornwall, Canada
- Keynote Speaker, Fourth International Symposium on Off-Flavors in the Aquatic Environment, October 2-7, 1994, Adelaide, Australia
- Organizing Committee, Third International Symposium on Off-Flavors in the Aquatic Environment, March 3-8, 1991, Los Angeles, California, Chair 1987-1991
- Specialist Group on Tastes and Odors in Drinking Water, 1983-present

U.S. Environmental Protection Agency

- Technologies Working Group, FACA Committee, Microbial-Disinfection By-Products Rule, Washington, D.C., 1999 through 2000
- Technologies Working Group, FACA Committee, Disinfectants/Disinfection By-Products Rule, Washington, D.C., 1996 through 1997
- Technologies Working Group, Regulatory Negotiation Committee, Disinfectants/Disinfection By-Products Rule, Washington, D.C., September 1992 through October 1993
- Participant in Third U.S. EPA/AWWARF Intergovernmental Meeting with Japan, Los Angeles, California, September 1992
- Participant in Second Joint U.S. EPA/AWWARF Intergovernmental Meeting with Japan, Tokyo, Japan, July 1990
- Best Available Technology Peer Review Workgroup, 1987-1990
- U.S. EPA/AWWA Research Foundation Workshop on Volatile Organic Compounds, Reno, Nevada, June 29-30, 1982, Chair, Treatment and Costs Workgroup
- Technical Review of "Treatment Techniques for Controlling Trihalomethanes in Drinking Water," EPA-600/2-81-156, 1981
- Discussant--Protocol Development, Criteria and Standards for Potable Reuse and Feasible Alternatives, Airlic House, Warrenton, Virginia, July 29-30, 1980

Michael J. McGuire

PROFESSIONAL ASSIGNMENTS (Cont.)

National Academy of Sciences--Safe Drinking Water Committee

- Consultant, Subcommittee on Adsorbents and the Water Treatment Process-Chemical and Toxicological Effects, 1980

National Research Council

- Drinking Water Contaminants Committee, 1998-99

California Department of Health Services

- Ad Hoc Committee responsible for planning compliance with and determine the impact of AB1803
- Task Force for Chloramines Removal in Kidney Dialysis Facilities, Member 1984-85

California Department of Water Resources

- Potable Reuse Committee, Member 1993-1995

Other Assignments

- International Ozone Association, International Board of Directors, Member 1992-1995
- Management Development Club of the Metropolitan Water District, President 1985
- University of California, Water Quality Task Force, 1987-88
- New York City Department of Environmental Protection, Expert Panel on the New York City Department of Environmental Protection's Distribution Coliform Monitoring Plan, March-June 1995.
- American Society of Testing and Materials, Committee-- Sensory Evaluation of Materials and Products; Subcommittee E18.0400, Fundamentals of Sensory, July 2007-present.

TESTIMONY BEFORE LEGISLATIVE COMMITTEES
AND REGULATORY AGENCIES

State of California, Senate Committee on Agriculture and Water Resources, Sacramento, California, March 5, 1985.

House Subcommittee on Health and the Environment, House Energy and Commerce Committee, H.R. 1650, Washington, D.C., May 1, 1985.

Michael J. McGuire

TESTIMONY BEFORE LEGISLATIVE COMMITTEES
AND REGULATORY AGENCIES (Cont.)

State of California, Assembly Committee on Environmental Safety and Toxic Materials, AB 2133, Sacramento, California, June 12, 1985.

State of California, Senate Committee on Toxics and Public Safety Management, AB 2133 and AB 859, San Jose, California, November 12, 1985, and Los Angeles, California, November 19, 1985.

U.S. Environmental Protection Agency, Public Hearing on Proposed Recommended Maximum Contaminant Levels (RMCLs) for Synthetic Organics, Inorganic Chemicals and Microorganisms, Washington, D.C., January 28, 1986.

State of California Department of Health Services, Public Hearing on Notification of Chemical Contamination of Drinking Water, Sacramento, California, February 5, 1986.

U.S. Environmental Protection Agency, Public Hearing on Surface Water Treatment Regulation, Washington, D.C., September 10-11, 1986.

City of Los Angeles, City Council, Energy and Natural Resources Committee, Testimony on quality of Metropolitan's water, Los Angeles, California, February 4, 1987.

State of California, Assembly Committee on Environmental Safety and Toxic Materials, AB859, Sacramento, California, April 7, 1987.

State of California, Assembly Committee on Environmental Safety and Toxic Materials, AB76, Sacramento, California, May 13, 1987.

State of California, Senate Committee on Toxics and Public Safety Management, SB1122, Sacramento, California, May 21, 1987.

State of California, Assembly Committee on Environmental Safety and Toxic Materials, SB1122, Sacramento, California, July 14, 1987.

State of California, State Water Resources Control Board, Bay-Delta Hearings, Irvine, California, August 13, 1987.

State of California, State Water Resources Control Board, Bay-Delta Hearings, Sacramento, California, October 28, 1987.

Michael J. McGuire

TESTIMONY BEFORE LEGISLATIVE COMMITTEES
AND REGULATORY AGENCIES (Cont.)

National Drinking Water Advisory Council, Impacts of the Safe Drinking Water Act, Washington, D.C., November 5, 1987.

U.S. Environmental Protection Agency, Public Hearing on Surface Water Treatment and Total Coliform Rules, Denver, Colorado, December 2, 1987.

State of California, Assembly Committee on Environmental Safety and Toxic Materials, AB21, Sacramento, California, February 21, 1989.

U.S. Environmental Protection Agency, Public Hearing on Proposed National Primary and Secondary Drinking Water Regulations--Phase II, Washington, D.C., July 12, 1989.

State of California, State Water Resources Control Board, Delta M&I Water Quality Workgroup, Concord, California, August 14, 1989.

U.S. Environmental Protection Agency, Public Meeting on Disinfection By-Products Strawman, Washington, D.C., December 4, 1989.

State of California, State Water Resources Control Board, Bay-Delta Workshop, Sacramento, California, January 4, 1990.

State of California, State Water Resources Control Board, Bay-Delta Workshop, Sacramento, California, February 20, 1990.

U.S. Environmental Protection Agency, Public Meeting on Groundwater Disinfection Strawman, Cincinnati, Ohio, June 21, 1990.

Beverly Hills City Council, Metropolitan's Capital Projects Program and Proposed Sources of Revenue, February 4, 1992.

State of California, Assembly Committee on Local Government, A.B.3522 (Polanco), Sacramento, California, May 6, 1992.

State of California, Senate Committee on Agriculture and Water Resources, S.B.2070 and Rate Increases by Metropolitan, Sacramento, California, June 2, 1992.

Michael J. McGuire

EXPERT TESTIMONY AND DEPOSITIONS

Deposition, Delia Cordova, et al., vs. Hughes Aircraft Company, Case No. 284158, Superior Court, State of Arizona, Pima County, March 10, 1997.

Deposition, Dianne Lofgren, et al., vs. Motorola, Inc., et al., CV 93-05521, et seq., Superior Court, State of Arizona, Maricopa County, September 3, 1997.

Deposition, Iberville Parish Water Works v. Novartis Corp. Protection, Inc., Case No. 97-0886-C8-C, U.S. District Court for the Southern District of Alabama, Southern Division, Santa Monica, California, November 16, 1998.

Deposition, *Application for Permit No. 1948A in the name of BFI Waste Systems of North America, Inc.*, TNRCC Docket No. 1254-MSW, Austin, Texas, March 21, 2001.

Expert Testimony at Hearing, *Application for Permit No. 1948A in the name of BFI Waste Systems of North America, Inc.*, TNRCC Docket No. 1254-MSW, Austin, Texas, May 11, 2001.

Deposition, South Tahoe Public Utility District v. Atlantic Richfield Company, et al., Case No. 999128, Superior Court of the State of California, San Francisco, June 12, 2001.

Expert Testimony at Jury Trial, South Tahoe Public Utility District v. Atlantic Richfield Company, et al., Case No. 999128, Superior Court of the State of California, San Francisco, February 4, 2002.

Deposition, City of Portland, Oregon v. The Boeing Company and Cascade Corporation, Case No. CV 99-1761-AS, United States District Court, District of Oregon, Portland, Oregon, July 24, 2002.

Expert Testimony at Jury Trial, City of Portland, Oregon v. The Boeing Company and Cascade Corporation, Case No. CV 99-1761-AS, United States District Court, District of Oregon, Portland, Oregon, October 31, 2002.

Expert Testimony at Trial, No. C-C-3216-99-A, North Alamo Water Supply Corporation and Jimmie Steidinger v. BFI Waste Systems of North America, Inc., et al.; in the 92nd Judicial District Court, Hidalgo County, Texas, February 6, 2003.

Deposition, Fruitridge Vista Water Company v. Atlantic Richfield Company, et al., Case No. 02AS00535, Superior Court of the State of California, Sacramento County, April 7, 2006.

Deposition, The People of the State of California acting by and through the Department of Transportation v. Sweetwater Authority, Case No. GIC 838118-1, Superior Court of the State of California, San Diego County, December 4, 2006.

Michael J. McGuire

EXPERT TESTIMONY AND DEPOSITIONS (Cont.)

Deposition, Palmer v. 3M Company, Court File No. C2-04-6309, District Court, Tenth Judicial District, State of Minnesota, County of Washington, Deposition taken in Los Angeles, California, January 9, 2007.

Deposition, United Water New York, Inc. v. Amerada Hess Corp. et al., 04 Civ. 2389, and County of Suffolk and Suffolk County Water Authority v. Amerada Hess Corp. et al., 04 Civ. 5424, United States District Court, Southern District of New York, October 18-19, 2007.

Deposition, Basso, et al. v. Sunoco, Inc., et al., 03 Civ. 9050; Tonneson, et al., v. Sunoco, Inc., et al., 03 Civ. 8248; Master File No. 1:00-1898, MDL 1358 (SAS), M21-88, United States District Court, Southern District of New York, January 18, 2008.
